WASHINGTON, Feb. 11.-Transportation of workers enrolling for in-dustrial war service will be provided in a revolving fund of \$500,000, which the Department of Labor to-day announced has been asked of Congress. Advances would be repaid either by the workers or by their employers, according to the individual arrangement, for similar uses in future cases.

Appropriations for transportation and for housing, \$50,000,000 having sity for filling "schedule gaps" are been asked for the latter, are expected and nearby cities are trying to-day not the real reasons the Brooklyn by officials of the Department to go far toward solving the apparent labor to identify a woman whose body.
